

PREESALL TOWN COUNCIL

Action Plan 2019/20

Preesall Town Council's action plan is produced annually in May and sets out what the council plans to achieve in the coming year. The Plan is drawn from:

- 1. the budget, which is set in January and which includes project expenditure for the forthcoming vear
- 2. matters raised by members of the public during the Annual Town meeting.

The action plan is reviewed on a quarterly basis throughout the year in order to monitor progress of items agreed in May, the addition of new items if required and the signing off of completed items.

Preesall Town Council's objectives for 2019-20 are:

Action	Budget	Time Frame	Comments		
Objective 1. Improve Health and Safety					
Enhance community safety and security through installation of CCTV at strategic points throughout the village	20000	Ongoing	Work in progress for installation of first camera, additional funding for 2019/20
